“The Sutton Hague webinars are rich in information and insightful in the various HR topics covered. They discuss not only HR laws, regulations and standards but have armed us with hands-on HR guidance. The webinars are general enough for a diverse group of HR professionals—whether you are new to Human Resources or a seasoned professional. I would highly recommend anyone to join these sessions.

“The presentations and webinars given by Sutton Hague’s team are among the best in the industry. Our entire team, and our organization, has benefited from them greatly. Not only do they continue to help us develop professionally, but they also help us manage and avoid the many risk to our organization inherent in the issues they address.
